Thank you for attending our recent Parent-Teacher Conferences! We appreciate you taking time to meet with your child's teacher. We hope that your conference provided you with some valuable insight into your child's progress in school. We look forward to our continued partnership throughout the remainder of the school year. If you have any questions or concerns regarding your child, please do not hesitate to contact us. Additional conferences/ meetings may be scheduled with the teacher during the school year at either your or the teacher's request.

ATTENDANCE MATTERS!!!

Good attendance promotes academic success. It is very important for you to make sure your child is in school every day. **Students are not to be dropped off before 8:00AM. There is no one here to supervise them!** If your child is absent, please call 612. 668. 2279. You may leave a message or send a note explaining the reason for the absence when your child returns to school.

School is in session 8:15AM– 2:30PM. Please send your child to school on time. Tardiness results in the loss of academic instruction for the student. There is a significant link between attendance and academic achievement.
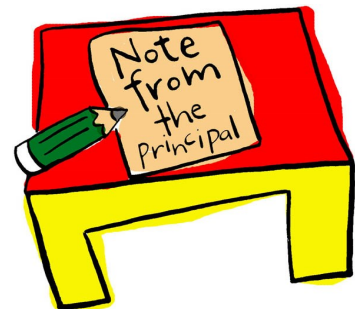

STUDENTS SHOULD BE AT SCHOOL BY 8:15AM.

Minneapolis Public School District and Cityview Community School welcomes and encourages visits by our families and community partners. ALL VISITORS must come through Door Number 1 and sign-in at the front office. ALL VISITORS must have a Visitor's Badge or Identification Badge at all times in the school building.

Any students being picked up during school hours MUST be signed-out in the front office by a parent, guardian and/or authorized representative. If you have any questions, please call us at 612.668.2270. We love our Cityview families, community partners, and we love seeing you in our building!

Home & School Connection: Working Together for School Success

A small note from Principal Renee Montague

Cityview's Site Council is a group of staff members, parents, and community members who work on the long-range vision and planning for the school. Our next Site Council meeting will be Friday, October 26th from 8:30 - 9:15AM. We will share updates and upcoming events. The mission of Cityview's Site Council is to provide an opportunity for representative school staff and community to work collaboratively providing direction that will enhance student achievement and on-going growth. We continue to look for parents and/ or guardians to join our site council. If you are interested, please call Ms. Montague or Ms. Vue at 612. 668. 2270.
