8:00-9:30AM

**Mar 21**

Food + You Distribution

**Mar 29**

Third Quarter Ends

**Mar 30**

Record Keeping Day  
**NO SCHOOL**

The story of Cityview is one of laughter in school hallways and learning in our classrooms. Good things are happening here and we're eager to tell you about them. **Our French Immersion Program being one of them.**

**Immersion - a strategy that works!** Total immersion in kindergarten-second grade; additional grade levels will be added to the program as it grows. Mathematics, Science, Social Studies, Language Arts, all taught to high standards, in French 90% of the school day will occur in French, while 10% of the school day will include English instruction through a specialist; as students progress through the grade levels, English instruction increases until students reach a level of 50% French and 50% English instruction at 5th grade. Teachers are trained in language acquisition strategies that include immersion methods.

**Why immersion?** Early immersion is one of the most effective methods known for acquiring a second language. Students in immersion programs acquire the same proficiency in English and achieve the same levels of competence in their academic subjects as their peers who attend all-English programs. Immersion students acquire advanced levels of functional proficiency in French. They are able to do their schoolwork and communicate with their friends and teachers.

This form of enriched language education is effective in a variety of community settings, even in communities where there are few, if any, speakers of the target language. In addition, research has shown that immersion programs are effective for all students.

Visit our French Immersion classroom on Wednesday, February 28th for more French Resources!!!

Students are required to wear school uniforms every school day

Our school uniform is a plain, logo free, navy blue top (polo style, long or short sleeve, sweater, sweatshirt, or button down) and khaki/ tan bottoms (pants, skirts, or shorts that are at least knee length). We expect our Cityview students to arrive dressed for success in uniform every school day ready to learn!

**Be Respectful \* Be Responsible \* Be Safe \* Be a Superstar! \* Just Believe!**

- \*Be Respectful**
- \*Be Responsible**
- \*Be Safe**
- \*Be a Superstar!**
- \*Just Believe!**

*Home & School Connection: Working Together for School Success*  
*A Small note from Principal Renee Montague*

Hello Parents-

At Cityview it is our goal to make sure that every student arrives and leaves safely. In order to help us make sure that every student arrives and leaves safely, please call the school to let us know if there will be any changes to your student's regular drop off and pick up routine. We understand that changes can occur quickly, we just ask that you let us know about changes in a timely matter. **If there are people who are not allowed to have contact with your student(s) it is essential that the school knows and has proper documentation.** If you have any questions or concerns please contact the school social worker, Alyssa Whiteaker, at 612-668-2286.
