As we complete another school, it is exciting to look at the progress that we have made with Turnaround Arts this year! Here are a few highlights from our year:

- All students participated in a drumming residency with professional drummer Mike Arturi.
- We had a visit from our Turnaround Artist Lil' Buck and learned more about his dance style "Memphis Jookin."
- Our students participated in artist in residencies to develop their writing skills, storytelling skills, theatrical skills, and musical talents.

• We shared the arts with our community at Parent/Teacher Conferences, Literacy Night, Student Performances, Whole School Assemblies, and the Talent and Art Show!

Next year we look forward to even further engagement with the arts by continuing our art and music specialist classes, more opportunities for students to work with artists from our community, more family events showcasing student talents, and further use of the arts in our classrooms through arts integration (using the arts to teach the content areas).

As stated by Michele Obama, "Arts education isn't something we add on after we've achieved other priorities like raising test scores and getting kids into college. It's actually critical for achieving those priorities in the first place. That's what the Turnaround Arts program is all about."

SCHOOL'S OUT EXERCISE IS IN!!!

7 Ways To Keep Your Kids Active This Summer

1. **TURN OFF THE TUBE.** Limit your children's TV viewing to only about two hours a day.
2. **MAKE EXERCISE A FAMILY AFFAIR.** Exercise together as a family, go on walks and get fresh air together or bike together.
3. **CREATE STRUCTURE.** Plan activities ahead of time and ask your child for suggestions.
4. **CHECK OUT FREE DAY CAMPS.** Lots of community organizations offer day camps during the summer that keeps kids active for little or no cost.
5. **MAKE IT FUN.** Offer a variety of activities so they don't get bored.
6. **KEEP TOYS HANDY.** Keep stash of balls, jump ropes, hula hoops, yoga balls near so kids will always find something to do.
7. **GET FRIENDS INVOLVED.** Invite friends and neighborhood buddies over and see how fast they come up with active things to do.
