A PROGRAM OF THE KENNEDY CENTER

This week at Cityview we had the fantastic opportunity to have the Minnesota Sinfonia visit our school and perform for our K-5 students! The focus of the program was on connecting language arts standards to music. In preparation for the day, students learned about the music, the composers, and the stories connected to the music. The stories ranged from the "Tale of William Tell" to "The Hunchback of Notre Dame" to "Cinderella." Our students were great members of the audience, and we are so happy to have had the Sinfonia visit our school!
