DRESS FOR SUCCESS!!!

Here at Cityview we strive to enhance the school-wide learning environment by honoring students for who they are. We want them to know that each of them, as a unique individual, belongs here and feels welcome and safe here at school. We ask our families to send their children to school ready to learn wearing appropriate school uniform and good personal hygiene. This is healthy for all students and has a major effect on their confidence. Students are not allowed to wear inappropriate clothing such as short skirts without leggings, strap tank tops, crop tops, or hoodies. If you have any questions, please connect with me, Ms. Montague at 612. 668. 2270 or you can email me at Renee.Montague@mpls.k12.mn.us.

“When you have confidence, you can have a lot of fun. And when you have fun, when learning is fun, you can do amazing things.”

After school program starts Monday, October 9th and classes are in session Monday–Thursday from 2:55-5:15PM.

After School applications were sent home to families. **Applications are due immediately into the front office.** Program highlights include: small class sizes, enrichment activities, transportation, light snack, and GEMS/ GISE award-winning science instructions.

If your child turned in an application, please be on the look out for bus information.

For more information, please contact Ms. Terry at 612. 668. 2270.

Be Respectful * Be Responsible * Be Safe * Be a Superstar! * Just Believe!

At Cityview, we have the Turnaround Arts program which uses the arts as a key tool in transforming schools and improving student achievement through the arts. Through this program, we have had many more opportunities to bring visual and performing arts opportunities to our students. The arts are important because recent studies show that students who participate regularly in the arts:

- have higher attendance and high school graduation rates
- are more likely to attend a four-year university, graduate and go on to a career with potential
- are more self-confident and better able to express their ideas

Arts education can also benefit overall school culture and climate, especially when it is integrated into the school, giving teachers new tools, increasing collaboration, creating an atmosphere of creativity and inspiration and engaging parents and the community.

OUR EXPECTATIONS

***Be Respectful**

***Be Responsible**

***Be Safe**

***Be a Superstar!**

***Just Believe!**

**Fall School Picture Day is Monday, October 16th
in the School Big Gym**

School pictures are taken once in the Fall and in the Spring. Fall picture will be Monday, October 16th in the school gym. **ALL STUDENTS MUST WEAR THEIR SCHOOL UNIFORM FOR FALL PICTURE DAY.** In the Spring, students can wear nice clothes besides their uniform. **The School does not have change, please bring exact change for picture day.**

Home & School Connection: Working Together for School Success

A Small note from Principal Renee Montague

PARENT POWER! *There are many ways you can support your child's learning and the school. Try these tips:*

- ✓ *Spend a few minutes every evening looking over handouts your child brings home. Fill out forms to return the next day.*
- ✓ *Tell your child's teacher if you can help them out at school or from home.*
- ✓ *Make sure teachers know you appreciate their efforts. From time to time, send a thank you card or visit the classroom.*
- ✓ *Contact your child's teacher immediately if you see any changes. Working together will help you child succeed!*
- ✓ *Attend conferences, parent meetings, and school events regularly.*
